

1. God has established His kingdom on earth in such a way that we must ask Him for...

Matthew 21:22 & John 15:7

At this stage of your life what are you asking God for?

2. Faith requires a supernatural touch from God.

Hebrews 11:6, Mark 11:24 & John 15:7

If you win the argument with God, you actually lose and if you lose the argument with God, you actually win. (Batterson)

Do you have faith in God for the big things you cannot see? What are they?

3. Only as we learn to abide in God does His desires and ours begin to line up.
