Genesis 1:1 (NASB)
In the beginning God created the heavens and the earth.

1. The plan of God started before the creation of the world.
2. Before the creation of the world love existed because God is love.
3. Before the creation of the world God already counted the cost… Jesus.
4. Before the beginning of time God has a promise to those who are "in" Christ Jesus.

John 17:24-26, Ephesians 1:3-4, 1 Peter 1:18-20, Titus 1:1-3a, Matthew 25:31-34

Applying God's plan to our life...

1. God's plan means your life isn't meaningless or random.
2. God's plan involves bringing life out of death.
